

1st Annual

Shepherd University Arbor Day Tree Planting Event

**Saturday, April 9, 2011
1:00 PM - 4:00 PM**

The Shepherd University Tree Committee invites you to join in the planting of over 80 native trees on the Shepherd campus in support of the Jefferson County Urban Tree Canopy Initiative

- Open to all volunteers!
- Wear appropriate footwear and clothing and dress accordingly for the weather.
- Shovels and gloves will be available in limited quantities.
- Planting will be in the pond area adjacent to the intramural field and the apartments (see map below).
- A special tree will also be planted on the lawn of Miller Hall as the first addition to our campus arboretum

**Location: Shepherd University
Shepherdstown, WV**

**University Drive (off of Shepherd Grade Rd.)
by storm water retention pond**

**Park in H Lot (Large lot by Intramural Field
and Apartments)**

Planting project funded by Urban Tree Canopy grant through the West Virginia Division of Forestry and the Chesapeake Bay Program. In partnership with the Cacapon Institute.
